Ref. : B2007-L-49(0)

Dear Sir,

Following our training session in Goussainville on March 28th, 2023, we are pleased to confirm that EMS are fully approved for :

Minor repair of protective breathing equipment ref. 15-40F-xx

in accordance with CMM 35-30-02 and inherent procedures.

This approval is valid for 3 years starting above date and can be revoked in case of non conformities or break in the activity.

Any significant change in the organization, facilities, inspection, tooling, etc, has to be notified promptly to Air Liquide advanced Technologies.

Air Liquide advanced Technologies reserves the right to perform audits at yours facilities during these three years.

We thank all the team for its availability during our visit.

Yours faithfully,
